What is the CFA SRA?

The Country Fire Authority Sports and Recreation Association Inc. (CFA SRA) was formed in 2005 with the intent of providing support to all members of CFA who represent the organisation in sporting and recreational activities.

This support is managed by the CFA SRA Committee of Management that has been formed from interested CFA members who represent both staff & volunteers.

SUPPORT

CFA SRA provides a central point where requests for support can be sent and considered by the Committee.

AIM OF CFA SRA

The aim of the CFASRA is to:

1. Manage the CFA SRA under the Rules of Association
2. Encourage and support all CFA members, teams and clubs to participate in and represent CFA in sporting and recreational activities.
3. Publicise the aims and objectives of the CFA SRA
4. Promotion and reporting of CFA members achievements and participation in sporting and recreational activities.
5. Support to affiliated CFA Teams/Clubs
6. Enhance the public image of CFA

Assistance Eligibility

Support from the CFA SRA is available to all registered and retired members of CFA, including staff, volunteers, teams and clubs.

Applications for Support

Applications for support should be directed to the Committee in writing by filling out the downloadable application form available on the website.

The CFA SRA Committee considers all applications once they have been received.

Support is provided in the form of a financial contribution, equipment, and/or apparel from the special range of sportswear currently being developed.

In return for this support, the CFA SRA Committee requests feedback and photos are provided by the grant recipients for the event/s entered.

There is also a range of loan equipment available. Details of equipment available and an application form are available on the website.

**CFA SRA
ENCOURAGES & PROMOTES HEALTH, FITNESS
AND PARTICIPATION IN SPORT AND
RECREATIONAL ACTIVITIES**

Club/Team Affiliation

CFA teams and clubs can be affiliated with the Association for a small annual fee, with benefits including:

- Promotion and publicity of the team and/or club, including a link on the SRA website
- Priority for grants
- Position on the committee
- Financial support for assistance to clubs which is separate to support provided for entering an event.

CFA SRA is working towards

1. A full range of sport specific apparel for purchase.
2. CFA SRA Website providing a range of information.
3. Details of affiliated CFA teams and clubs within the CFA.
4. A listing of available CFASRA loan equipment and items.
5. Listing of all Sporting Events that CFA is involved in and CFA Team/Club activities.
6. A CFA policy and associated procedures for all aspects of CFA representation in sport and recreation activities.

Updates and sporting news can be found in CFA Fire Flyer, The Fireman Newspaper and Brigade Magazine.
